Prerequisite Flow Chart for the Statistics & Computer Science Major
(For students beginning college Fall 2007 or after)

A line from one course to another below it indicates that the first course is a prerequisite for the second. An arrow indicates that the first can be taken either before, or at the same time, as the second.

* Students either take STAT 200 during the first 60 hours of coursework or a 400-level Statistics elective, with STAT 426 recommended, thereafter.

** Some courses are offered only in the Spring or Fall. Plan ahead!

† CS 233 can be taken semester 3 or 4.

Gen-Ed, Foreign language, and other requirements. See http://www.las.illinois.edu/students/requirements/gened/
